Five Green and Speckled Frogs Directions

Each booklet page starts as a rectangle and then there is a tab that needs to be cut off the bottom of pages two-five.

The tab on the top of each page is for stapling, please make sure your students do not remove that tab.

Once the pages have been cut put them in reverse page order (one on the bottom and 5 on the top.) Staple the pages at the top.

placing this booklet into a journal

If you are placing this booklet in a journal you will probably want to staple the booklet once to the other booklet pages and then twice to the page in the journal.

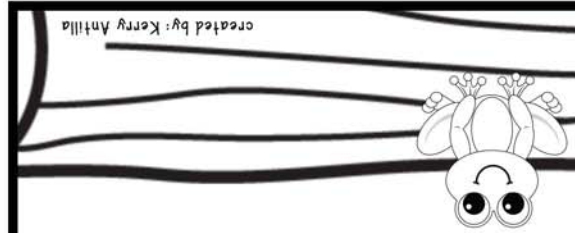

The log can be glued underneath the book (so the log with the book and the full log match up). The title can go on the page wherever there is extra space.
